

Our moral obligation is to help our children become successful learners, confident individuals and responsible citizens, and we believe that this policy which sets out the way in which we provide value for money for our children who receive a pupil premium grant, will help us achieve this goal.

Report on the use of Pupil Premium Funding

Barnham Primary School

September 2011 onwards

Overview

The government believes that the pupil premium, which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and their peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most. The pupil premium was introduced in April 2011 and is allocated to schools to work with pupils who have been registered for free school meals at any point in the last six years (known as 'Ever 6 FSM')

Principles

- We ensure that teaching and learning opportunities meet the needs of all of the pupils.
- We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.
- Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time.

Provision

The range of provision the school may consider include:

- Providing small group work with an experienced teacher focussed on overcoming gaps in learning.
- 1:1 support
- Additional teaching and learning opportunities provided through trained TAs or external agencies
- Acquiring effective materials aimed at raising standards, particularly in reading, writing and mathematics.
- All our work through the pupil premium will be aimed at accelerating progress moving children to at least age related expectations. Initially this will be in Literacy and Numeracy.
- Pupil premium resources may also be used to target able children on FSM to achieve L3 at the end of KS1 or L5 at the end of KS2.
- The school will publish information on how they have used their Pupil Premium Grant to address the issue of 'narrowing the gap', for socially disadvantaged pupils.

Pupil Premium Grant Allocation for 2011-12: £6,344

Nature of support 2011-12

- Use of Learning Mentor to offer a range of support to children and their families and to aid transition between schools. This included WOW Writing - Year 6 to improve writing confidence and skills and Basics Skills work - Year 6 to improve well-being, self-image and self-esteem.
- Increased 1 to 1 sessions with a SEN teacher for Free School Meal children on SEN register.

Impact of support 2012-13

OFSTED Report (May 2013)

- *" The school uses its relatively small amount of pupil premium funding to provide additional teaching support and enrichment for pupils who need it. For example, pupils benefit from residential trips. Those who qualify for the funding make the same good progress as their peers and there are no significant gaps between their attainment and that of their classmates in either English or mathematics.*
- *Through closely monitoring the progress and well-being of all pupils, the school ensures that everyone has an equal chance of success and is well prepared for secondary school."*

Learning Mentor:

- Transition – 31 children received support which allowed them to successfully move between classes and schools.
- Interventions – Various pupils benefited from one to one and group work. A number of parents have also been supported.
