Some clubs are restricted in numbers so we will be operating a first come, first served basis.

It is important to notify us if your child is unable to attend any clubs.

There may be occasions when clubs will have to be cancelled but we endeavour to keep this to a minimum. If we should need to cancel a club we will let you know by text as soon as possible. It is important that you keep us informed if you change your contact mobile number.

If your child wishes to take part in a Teacher-Led club relevant to their year group, please ensure the office staff are notified before Friday 23rd March.

Kind regards

Mrs A Eade

School Administrator
