

Dear Parent/Carer,

This term your child has been taking part in a 1 Term 2 Learn scheme provided by West Sussex Music Trust at Barnham Primary School. The whole class sessions have come to an end and many of you came in to watch our performance. I am pleased to be offering group tuition starting in the Summer Term for those who would like to continue learning the Cornet.

Pricing starts at £8 per lesson for group lessons and instrument hire is available from West Sussex Music. Children who receive benefits-related free school meals are eligible for free group instrumental lessons.

For more information or to apply for lessons please visit our website [www.westsussexmusic.co.uk](http://www.westsussexmusic.co.uk) and please don't hesitate to contact me with any questions you may have [emma.button@westsussexmusic.co.uk](mailto:emma.button@westsussexmusic.co.uk)

Music can be such a wonderful part of a young person's development. Many studies show the magnitude of what music can really do: it encourages creativity, fosters teamwork working, enhances self confidence, underpins better behaviour and improves learning skills. Music opens up diverse pathways, bringing unique experiences and meaningful social relationships. It can also inspire and ignite a life's passion.

Yours sincerely,

Emma Button  
Instrumental Teacher
