February 2020

It has been a great few weeks to open the decade. The new topics being experienced by the children seem to be hitting the mark and the children are enjoying exploring the new areas of learning that they are being immersed in. I love to see the transformations that the classrooms and corridors take on during the life cycle of a topic and find the teaching and learning spaces across the school to be vibrant and exciting. It is going to be great to see how these unfold over the rest of the term as the children and staff continue their learning and development.

Our Mission: For all our children to be the best that they can be.

Successful Learners

At the point of writing this we have had a number of Bronze stars awarded to the children for reaching the dizzy heights of 100 Dojos, with badges being awarded to the following children: Ruby Robinson-Waldron, Josh White, William Lake, Tristan Sawyer, Niamh Miles, Joe Cooper, Reagan Rich, Harry Hammond, Georgina West, Ieva Peculyte, Hugo Wickland, Danny Hobbs, Rhyley Hughes-Thomas, Kiera Chapman, Braydon Chanot, Eva Jones, Issy Harvey, Unizah Grigg, Lucas Dorey, Milo Brown, Issac Woodman, Arthur Baker, Rosie Simmons, Leah Jubbs, Hannah Kuo, Sophia Perry, Lilly Hopkins-Smitth, Teddy Buckley, Edward Stapleton, Caitlin Owen, Tabitha Hill, Flo Armour, Grace Docherty, Freddie Bushhaus, Taylor Jones, Lara Pentney. Confident Individuals - Shine Curriculum

I wanted to update you that during this term we will be introducing aspects of the Shine Curriculum. Our focus for Shine for this half term is on Feelings and Emotions and is being introduced through class based sessions as well as whole school assemblies. I will continue to keep you updated as further strands of Shine go live.

Many Hands Need You!

Over the years, our Many Hands team have worked tirelessly to raise funds for the school. Their work, supported magnificently by you our families, has meant that we have been able to fund large projects such as the Learning Lodge on the playground, the fire pit, reading resources and library books, the blinds in the school Hall, and many other projects and resources that have had a positive impact upon the school. Without this work, BPS would not be where it is today and would not have the community/family feel that so many of the activities organised by Many Hands promote eg Stay and Play. And so, it's time for those of you who have thought about stepping up and helping out, to step up and help out, as the Many Hands team needs to boost it's core planning and organising team in order to make sure that they are able to continue to support the school and the children in the unique way that it does. If you are interested then please contact the team at manyhandsbarnham@gmail.com to explore how you might be able to contribute and help. Thank you for your support.

#barnhamextraday

As we are in a leap year this year, we will be encouraging the children to use the extra day that only comes once every four years to try something different. Through some of our Assemblies, we will encourage the children to consider trying something new eg wear odd socks, eat something different, try a new activity etc. More will follow as we move through the month so that we all as a community can make the most of our extra day.
