Successful Learners		*Confident Individuals*		*Responsible Citizens*

Year 2	Daily tasks	Weekly tasks	Optional extra
Reading	Try to read your reading books or other books from home. Remember to focus on reading a sentence or two and thinking about the meaning of the text. Can you answer the following question: **Find an adjective on each page you read.** *Why has the author used that particular describing word? What else could they use?*	When reading, look for the following '**common exception words'** which you cannot sound out but will help improve your fluency; parents door floor Poor	Brush up on your phonics skills: https://www.phonicsbloom.com/
Writing	Keep a diary of your time at home. Try to write an entry for each day, using sentences which could include ideas about the following; • What activities have you done at home? • What are your plans for the day? • What is the 'best bit' about your day? • What is the weather like today? • Who is at home with you? • What games have you been playing?	Create your own 'portal story' like the Journey book we have been reading. Imagine you or your character finds a magical door in your home. Where would it take you? What would that world be like? What would happen there? How would you get back? **Remember to include capital letters, full stops and finger spaces.** Confident? Use **subordinating conjunctions** like BECAUSE, OR, WHEN to join two parts of a sentence.	Find out about the other works of Aaron Becker using the website https://www.storybreathing.com/journey/
Maths	Practise counting in steps of 2,10 and 5 forwards and backwards as shown below. **0 2 4 6 8 10 12 14 16 8 20 22 24** **0 10 20 30 40 50 60 70 80 90 100 110 120** **0 5 10 15 20 25 30 35 40 45 50 55 60** Confident? Why not try writing these sequences, forming them correctly and in order.	Practise sharing or **dividing by 2, 10 and 5** using even numbers and objects you have at home, for example sharing 35 biscuits shared between 5 friends, how many would they have each? Write these as number sentences and show how you worked them out.	Try using this link to practise your division facts (÷2, ÷5, ÷10) https://www.topmarks.co.uk/maths-games/hit-the-button
Optional topic relate tasks or projects	**DT:** design and make a model imaginary world, like the one from the story **Journey.** You could think about what might happen there, which animals or creatures might live in that world and what the weather, terrain and atmosphere might be like.
